**Description:** This webinar will provide an overview of the United States Access Board, an independent federal agency dedicated to accessible design for people with disabilities. Access Board staff will review its resources, services, and programs. They will also introduce the concept of accessible design, explain their free technical assistance and training services, and provide some examples of how to make spaces usable by persons with disabilities. In addition, Access Board staff will explain how to file a complaint about physical accessibility barriers in buildings that are owned or leased by the federal government, as well as the Access Board's process for resolving those complaints. Session participants will have an opportunity to ask questions on any topic related to the Access Board's mission and activities.

**Presenters:**

- Sachin Pavithran, Executive Director, Office of Executive Director, U.S. Access Board
- Bill Botten, Training Coordinator, Senior Accessibility Specialist, Office of Technical and Information Services, U.S. Access Board
- Frances Spiegel, Attorney Advisor, Office of General Counsel, U.S. Access Board
